Media Vantage Points: There will be a media area on Convention Wharf as the Governor of NSW arrives. Media will need to be accredited to access this area. Media positions will also be available on the balcony of the Convention Centre South for the Australia Day Spectacular.

To pre-register for accreditation and gain access to Convention Wharf or the media balcony, please contact Elaine Kelly **prior to Australia Day** on 9240 8517 or 0401 543 354.

Given the large number of visitors expected, all media must ensure that their activities do not obstruct pedestrian access throughout the precincts. Sydney Harbour Foreshore Authority Rangers and NSW Police will be on duty throughout the celebrations to monitor crowd movement and ensure pedestrian safety. Any media considered to be blocking a walkway or other public area may be requested to move on by the Rangers or Police.

Media Parking: Please call Elaine Kelly prior to Australia Day on 9240 8517 or 0401 543 354 to arrange parking
