

Australia Day Lunch

2012

The Australia Day Lunch is the perfect occasion for Corporate Australia to come together and celebrate our achievements as a nation, to look forward to the opportunities and challenges of the future and to give thanks for the good fortune of simply being Australian.

For over 25 years this prestigious event has established itself as Australia's largest annual corporate lunch through its originality and uniqueness.

Up to 1,500 representatives from business, government and community support the Australia Day Lunch to experience an exhilarating program, enjoy outstanding culinary delights and share in an appreciation of our modern diversity.

Honouring the champions of Australia's four codes of football:

In 2012, the Australia Post Australian Legends Award will recognise eight of Australia's greatest football heroes. Together, these living legends will represent the four codes of football, with one all-time legend and one current playing legend representing each sport.

The identity of these champions of Australian rules, football (soccer), rugby union and rugby league will remain a tightly-held secret until the day of the 2012 Australia Day Lunch - when they will be presented with their gold stamps.
