PLAN AHEAD

Leave the car at home. Extra public transport services are running to help you travel to and from Australia Day celebrations. Plan your trip at transportnsw.info.

To support the celebrations, road closures will be in place on roads north of Bridge Street at Circular Quay from 4pm until midnight. Roads in The Rocks and Millers Point will close from the early morning. Special event clearway parking restrictions will be in effect throughout the day, so street parking will be limited.

Visit livetraffic.com for details and real-time traffic conditions.

For Sydney Harbour special event and safe boating information, visit rms.nsw.gov.au/maritime or call 131 236.

STAY SAFE

Be sun safe, eat well, drink plenty of water and wear appropriate clothing for summer weather conditions.

There is no BYO alcohol and no glass allowed at some Australia Day event sites. Check australia.com.au or your council website for where restrictions apply. If you do drink, do it responsibly and look after yourself, your mates and your environment.

Don’t be a tosser! If it’s not in the bin, it’s on you. Take your eligible bottles and cans to a NSW Return and Earn collection point. Bring your water bottles to refill at the water stations around Circular Quay.
